

**Industry** FITNESS  
**Location** ATLANTA, GA  
**SQ Footage** 2,400  
**Completion** 2018  
**Cost/SF** \$42

## PROJECT HIGHLIGHTS

After years of teaching and training in fitness studios around Atlanta, Cara Weaver was ready to found her own Pilates reformer studio. The soaring ceilings and linear layout facilitate trainers to instruct on proper form during large classes, as well as providing ease of transition between classes. Lower light levels throughout the space encourage clients to stay centered in their workout. The muted color palette and playful over-sized graphics reinforce the brand of strength and determination.
